

**Head of School Report
BOD Meeting – Dec 7 2022**

1. Substation & Newbuild update

1.1 Substation

Megaline will be putting in meter room.

Air-conditioner will start going into classrooms in December & January with the aim of connecting by end of January 2023

1.2 Newbuild works

Still waiting on Enemalta to remove cables, hopefully once the weather gets better

Community communication:

On Feb 22 2023 we will run an in-person parent meeting to share updates and overview of the project with the community. This will be attended by the Project Manager.

2. This Month at VIS

Post-COVID quite a few VIS experiences have been rekindled:

- Winter Fest – VPSO first big event, thanks to a core team of parents and volunteers for the event this has been able to happen again.
- HS Play – IB Students in Group 6 (Art/Drama/Music) working together on an interactive project
- Elementary Celebrations of Learning are back along with December concerts for parents by grade
- Field trips to the Theatre, Explora, local businesses are happening again
- Community Sports evenings for Parents & Staff
- Elementary Family Literacy evening – sharing books and reading with parents & students
- Parents coming into Elementary classes to participate
