## INDEPENDENT AUDITOR'S REPORT

to the members of Verdala International School Foundation

#### Report on the audit of the financial statements

#### Opinion

We have audited the financial statements of Verdala International School Foundation (the "Foundation"), set on pages 7 to 15, which comprise the balance sheet as at 31 August 2022, the Income statement and the cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Foundation as at 31 August 2022, and of its financial performance and its cash flows for the year then ended in accordance with the Accountancy Profession (General Accounting Principles for Small and Medium-sized entities) Regulations, 2015 and Schedule accompanying and forming an integral part of those regulations ("GAPSME").

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) as issued by the International Ethics Standards Board of Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the Accountancy Profession (Code of Ethics for Warrant Holders) Directive issued in terms of the Accountancy Profession Act, Cap. 281 of the Laws of Malta, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The board members are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

## INDEPENDENT AUDITOR'S REPORT

to the members of Verdala International School Foundation - continued

#### Other information - continued

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of the board members for the financial statements

The board members are responsible for the preparation and fair presentation of the financial statements in accordance with GAPSME and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the board members are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board members either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

identify and assess the risks of material misstatement of the financial statements, whether due to
fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
detecting a material misstatement resulting from fraud is higher than for one resulting from error,
as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
of internal control.

## INDEPENDENT AUDITOR'S REPORT

to the members of Verdala International School Foundation - continued

- obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Foundation internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board members.
- conclude on the appropriateness of the board members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

We communicate with the board members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The partner in charge of the audit resulting in this independent auditor's report is Christopher Balzan for and on behalf of

Ernst &a Young Malta Limited Certified Public Accountants

## Annual Financial Statements for the year ended 31 August 2022

## NOTES TO THE FINANCIAL STATEMENTS

## 1. BASIS OF PREPARATION

## 1.1 Basis of measurement and statement of compliance

The financial statements of Verdala International School Foundation ('the School') have voluntarily been prepared in accordance with the Accountancy Profession (General Accounting Principles for Small and Medium-Sized Entities) Regulations 2015, and the Schedule accompanying and forming an integral part of those Regulations ("GAPSME"). The financial statements have been prepared on the historical cost basis.

## 1.2 Functional and presentation currency

The financial statements are presented in EURO, which is the School's functional and presentation currency.

#### 1.3 Going concern

Based on forecasts prepared by the School for the upcoming scholastic years, the School is foreseeing to consolidate its results by increasing marginally tuition fees and maintain the present student population. Furthermore, the capital expenditure will be financed through the capital contribution collected from the community. Therefore, the Board Members are not envisaging any going concern issues. Consequently, these financial statements were prepared on going concern basis.

## 2. SIGNIFICANT ACCOUNTING POLICIES

#### Property and equipment

The cost of an item of property and equipment is recognised as an asset when it is probable that the future economic benefits that are associated with the asset will flow to the School and the cost can be measured reliably. Property and equipment are initially measured at cost comprising the purchase price, any costs directly attributable to bringing the assets to a working condition for their intended use, and the initial estimate of costs of dismantling and removing the item and restoring the site on which it is located. Subsequent expenditure is capitalized as part of the cost of property, plant and equipment only if it enhances the economic benefits of an asset in excess of the previously assessed standard of performance, or it replaces or restores a component that has been separately depreciated over its useful life. After initial recognition, property and equipment may be carried under the cost model, that is at cost less any accumulated depreciation and any accumulated impairment losses.

Depreciation is calculated to write off the cost of property and equipment on a straight-line basis over the expected useful lives of the assets concerned. The annual rates used for this purpose, which are consistent with those of the previous year, are:

	%
Leasehold land and buildings	10 - 15
Office furniture and equipment	10 - 33
Motor vehicles	20

The expected useful lives of leasehold land and buildings being depreciated does not exceed the remaining lease term of the leasehold land and buildings. Any capital project contributions received to finance specific projects of a capital nature are deducted from additions upon acquisition and thus not reflected in the carrying amount of these assets.

## Receivables

Trade receivables are recognised and carried at original invoice amount less an allowance for any uncollectible amounts. An estimate for impairment is made when collection of the full amount is no longer probable. Impaired debts are written off as incurred.

## Annual Financial Statements for the year ended 31 August 2022

## NOTES TO THE FINANCIAL STATEMENTS - continued

## 2. SIGNIFICANT ACCOUNTING POLICIES - continued

## **Payables**

Liabilities for amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the School.

## **Impairment**

The School's property and equipment and financial assets are tested for impairment.

#### Property and equipment

The carrying amounts of the School's property and equipment are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Whenever the carrying amount of an asset exceeds its recoverable amount, an impairment loss is recognized and the carrying amount of the asset is reduced to its recoverable amount. Impairment losses are recognized immediately in profit or loss, unless they relate to an asset which is carried at revalued amount, in which case they are treated as a revaluation decrease to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that asset.

## Financial assets

A financial asset or a group of financial assets is impaired and impairment losses are incurred if, and only if, there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset and that loss event has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

#### Cash and cash equivalents

Cash and short-term deposits in the balance sheet comprise cash at banks and short-term deposits. Cash equivalents are short-term investments that are held to meet short-term cash commitments rather than for investment or other purposes.

### Income taxes

Income tax expense comprises of current tax. Income tax expense is recognized in profit or loss except to the extent that the tax arises from a transaction or event which is recognized directly in equity, in which case it is recognized in equity.

Current tax is based on the taxable profit for the year, as determined in accordance with tax laws, and measured using tax rates, which have been enacted or substantively enacted by the balance sheet date.

## Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the School and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

#### Interest income

Revenue is recognised as interest accrues.

## NOTES TO THE FINANCIAL STATEMENTS - continued

## 2. SIGNIFICANT ACCOUNTING POLICIES - continued

## Revenue recognition - continued

Rendering of services

Revenue is recognised on the performance of the service.

Grants

The Foundation receives grants from the US Department of State to finance the current expenditure to run the School. These grants are credited to the profit and loss account to match the operating expenses to which it relates.

## **Expenditure recognition**

Expenditure is accounted for on the accruals basis.

## **Employee benefits**

The School contributes towards the state pension in accordance with local legislation. The only obligation of the School is to make the required contributions. Costs are expensed in the year in which they are incurred.

(i) A capital projects contribution is requested from each student to finance specific projects of a capital nature. As of the financial year ended 31 August 2015, this contribution is being deducted from the property and equipment additions upon acquisition and are thus reflected in arriving at the carrying amounts of these assets, rather than recognised as income. This contribution is recognized in the profit or loss over the life of the depreciable assets as a reduced depreciation expense. Up to 31 August 2022, the accumulated cost of property and equipment financed through capital contributions stood at EUR2,472,863 (2021: EUR2,131,832). Had these assets been depreciated over their useful life, the net book value of these assets as of 31 August 2022 would have been EUR456,831 (2021: EUR573,590).
